CAREER OBJECTIVE

Self-motivated and detail-oriented fresher with a strong passion for full-stack development and current hands-on experience in frontend technologies, particularly ReactJS. Skilled in building responsive and user-friendly web interfaces. Eager to contribute to real-world software projects, collaborate with innovative teams, and grow in a dynamic, learning-focused environment.

SKILLS

Programming Languages: C, Java, C++
Frontend Technologies: HTML, CSS, Tailwind CSS, JavaScript
Database: MySQL.
Developer Tools: VS Code, GitHub
Core Subjects: Object-Oriented Programming (OOP), Database Management System (DBMS)
Other Skills: Adaptability, Teamwork.

PROJECTS

Responsive Developer Portfolio ⬈ | React.js, Tailwind CSS

- Developed a fully responsive developer portfolio to showcase about me, my projects, skills, and contact details.
- **Features :**   Smooth multi-page navigation, project section with GitHub and live links, Responsive UI, and resume download option.

Dev Detective ⬈ | HTML, CSS, JavaScript, GitHub API

- Developed a dynamic web application to fetch and display real-time GitHub user data using the GitHub API.
- **Features :**   Quick user search, detailed profile display,Responsive, interactive UI, and error handling for invalid or non-existent users.

Cancer Detection System ⬈ | Python, H2O AutoML, HTML, CSS, JavaScript

- Implemented a cancer detection system using **H2O AutoML** to train and rank multiple machine learning models for cancer risk prediction based on patient data.
- **Features :**   CSV data upload, one-click data analysis, real-time cancer risk prediction with percentage visualization, and a responsive, user-friendly interface with clear result presentation.

INTERNSHIP

Webel Fujisoft Vara COE   **Jul 2024**
Web Developer Intern   *Hybrid*

- Completed **50 hours** of training and internship in **HTML, CSS, JavaScript, PHP, MySQL**, and project development.
- Developed **"Hold My CV"** – an intuitive web application for **building, managing, and downloading professional CVs**.
- Worked on frontend development, database integration, and user authentication for a seamless experience.
- The project was awarded the **Best Project Prize** for its innovative approach and user-friendly design.

EDUCATION

Dr. B. C. Roy Engineering College (MAKAUT University)   **2021 − 2025**
*B.Tech. in Computer Science and Design - **GPA - 8.81***

Indas High School (WBCHSE)   **2021**
*Higher Secondary Education - **71%***
